

University Faculty Senate

Proposed: June 7, 2011

Adopted: _____

Resolution of No Confidence in Executive Vice Chancellor and University Provost Alexandra Logue and the Office of Academic Affairs of the City University of New York

WHEREAS, the proposals by the Office of Academic Affairs of the City University of New York (CUNY) beginning in December 2010, which were embodied in successive versions of a *Draft Resolution on Creating an Efficient Transfer System* (which are collectively referred to as the Pathways Proposal), would have undermined educational quality and threatened the accreditation of many CUNY programs;

WHEREAS, the University Faculty Senate (UFS) passed two resolutions on April 12, 2011, offering alternatives to improve the quality of general education and facilitate avenues of student transfer;

WHEREAS, as of May 24, 2011, the Pathways Proposal has been challenged in statements passed by 46 CUNY faculty and student bodies, and in a letter by the national Phi Beta Kappa Society, all as shown on the UFS *Resolutions on General Education & Articulation* webpage, <http://cunyufs.org/A/>, a copy of which is attached; and

WHEREAS, the Board of Trustees Item B.I.13 *Draft Resolution on Creating an Efficient Transfer System*, released on May 18, 2011 (the May Pathways Proposal), still does not adequately provide for student transfer in a way that safeguards the quality of general education at CUNY:

THEREFORE, IT IS RESOLVED, that the University Faculty Senate votes no confidence in Executive Vice Chancellor and University Provost Alexandra Logue and the Office of Academic Affairs of CUNY.
